'87! –

Go here to skip right to the action: <https://www.givecampus.com/campaigns/75066/donations/new>

**This missive from our intrepid Scandinavian (Irish) reporter:**

Was it over when the Germans bombed Pearl Harbor?! Hell no!

And it ain't over now, because when the going gets tough... apparently the Class of '87 checks PayPal and quietly closes the app.

What the hell happened to us? We used to launch aircraft at night in the North Atlantic and now some of you can't launch \$19.87 before midnight?

Class of '84 has become THIS close to turning us into the damn Omega House of Navy alumni giving. '65 is laughing at us from nursing homes. '78 probably helped us because they are old and dyslexic and gave to the wrong class by accident.

What is this "sitting around" shit?!

We don't want to be winners? Well NOT ME. I'm in Norway right now and, frankly, the Norwegians are embarrassed for us. The Swedes too. Scandinavia has questions. Serious questions.

Tomorrow I'm supposed to walk proudly near the Royal Norwegian Palace wearing my USNA '87 gear, representing the Greatest Class to ever escape Bancroft Hall... and instead I may have to hide behind a shrub because some of you animals couldn't donate the cost of two airport beers and a stale pretzel.

This is our moment.

Not tomorrow.

Not after “I get paid Friday.” Most of you are getting some BS VA payment for ‘hearing loss’ or ‘adult acne’ - use it.

Not after you “look into it.”

## TONIGHT.

\$19.87

Before midnight.

One mission.

One team.

One last charge directly into the teeth of Class of '84 smugness.

Let's do what '87 has always done best:

Question authority.

Ignore common sense.

And make terrible financial decisions for a worthy cause.

## DONATE.

Dunph  
US 😊 NO

## Act NOW!

Where We Stand at 1600 Friday:

**5<sup>th</sup> place in percentage (35.6%) [1984, 1978, 1965, 1970 ahead], and**

**3<sup>rd</sup> place in raw donor count (338 donors) [1978 is at 379]**

Get us back into medal position! We need somewhere about 425 donors total (**87+** from where we are) to overtake 2<sup>nd</sup> place.

Honoring Departed and Fallen Classmates:

I fixed the excel spreadsheet to **honor our Fallen and Departed Classmates.**

The website work around... first name field: 'In honor of' <first name of person you're honoring> then last name of the person you're honoring. Be sure to select Alumnus and 1987. And then finally, modify the billing info for your billing. ([See the list of names in the share document](#) – please select a name and mark them as honored in the document – you're now able to write honored).

Please participate: <https://www.givecampus.com/campaigns/75066/donations/new>

Thanks in advance for your PARTICIPATION and GO NAVY!
